**REQUEST FOR LISTING OF REFERENCES**

Applicants are submitting herewith Form PCT/ISA/210 listing references considered to be relevant from the International Search Report (ISR) in PCT/GB99/02044, on which the present U.S. national stage application is based.

It is respectfully requested that these eleven (11) references be considered and made of record in the present application. The action requested with respect to these ISR references is in keeping with the following provision of §1893.03(g) of the Manual of Patent Examining Procedure:

When all the requirements for a national stage application have been completed, applicant is notified (Form PCT/DO/EO/903) of the acceptance of the application under 35 USC §371,

including an itemized list of the items received. The itemized list includes an indication of whether a copy of the International Search Report and copies of the references cited therein are present in the national stage file. The Examiner will consider the documents cited in the International Search Report, without any further action by applicant under 37 CFR §1.97 and 1.98 when both the International Search Report and copies of the documents are indicated to be present in the national stage file. The Examiner will note the consideration in the first Official Action [emphasis added].

Form PCT/DO/EO/903 in this application indicates that both the ISR and copies of the references cited therein are present in the official file.

In the event any fee is due in connection with the consideration of this request, the Commissioner is authorized to charge any such fee to the account of the undersigned attorneys, Deposit Account No. 04-1406. A duplicate of this paper is enclosed.

Respectfully submitted,
